## VEGAS SPIRIT TAKES OVER ISSA

Lambskin Specialties is boarding the Mystery Train heading to Viva Las Vegas and the 2005 ISSA convention.

The yearly ISSA/INTERCLEAN convention touches down October 18 -21 at the Las Vegas convention centre. The ISSA has prepared some fantastic events that will allow the membership to promote new products in true Vegas fashion. A fashion show complete with runway and Vegas showgirls will be presented on the show room floor, facility service providers and attendees will be encouraged to vote on the most innovative line. The most innovative will receive post-show publicity and use of the ISSA Product Innovation Winner logo.

The trade show floor will feature several new courtesies. The ISSA CyberCorner will allow for Internet and email access, a sports bar and deli will be available for attendees.

Look for the newest educational tool at the ISSA Resource Center: InfoClean, a flexible work loading software by Knowledge Worx. For a complete listing of events, educational sessions and registration information visit [www.issa.com/show](http://www.issa.com/show).
