Everyday Dusting

Natural lambs wool offers exceptional dusting power. A light static charge, a web of fibers and natural oils work together to attract and hold dust until spun free. The **Dust Wand** is available in a full range of models designed for virtually every dusting application; all are manufactured with thick premium selected wool skins, featuring rugged plastic handles, and solid construction. Dust Wand is effective on desks, light fixtures, ornaments, books, store fixtures, furniture, office equipment, shelving, glass, window coverings and so many other surfaces. They are used regularly in homes, offices, hotels, airports, retail stores, restaurants, meeting and exhibition halls, hospitals, factories, sports facilities and schools. Unless otherwise requested, Dust Wands are shipped in assorted mixed colors.

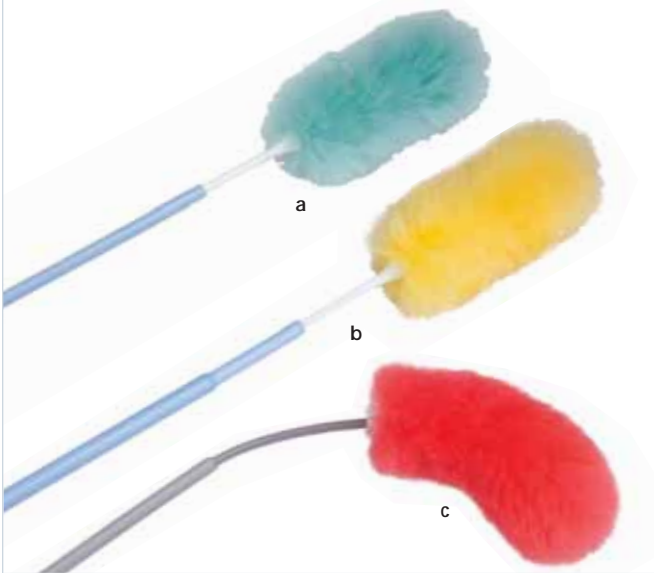

Single Stage Wool Dusters

This selection of dusters are ideal for all arms-reach jobs, including desks, tv's, ornaments and railings.
